The GHACF Scholarship Application Portal is open.

Deadline to apply: January 29, 2027

A few notes:

- Students will complete only ONE application, and the scholarship software will filter them to all scholarships for which they meet the criteria.
- Only 13th year Early College students should complete this year's application. They should also indicate that they are a "graduating senior" on their application, NOT a current college student.
- Any 12th grade Early College students who will complete a 13th year NEXT year, should NOT apply this year.
- All transcripts MUST show their name, high school, year, and cumulative GPA.
- All Student Aid Reports MUST show student name and SAI (student aid index).
