

GRAND HAVEN HIGH SCHOOL AND MY AUTO IMPORT CAR GIVE-AWAY

This is a special announcement for all seniors. Grand Haven High School and My Auto Import Center in Muskegon are sponsoring a program called the GPA, as in “Grades Providing Automobile.” Yes, you heard it right, this program will reward one lucky student the opportunity to win a brand new 2009 Nissan Cube. (No cost to our school district at all)

This contest is between the GHHS and Muskegon HS graduating class of 2010. A drawing will be held at the end of the school year and a single senior from one of the schools will drive away this beautiful, sound enhanced car, 2009 Nissan Cube.

I’m sure you’re wondering how the contest works, and it really is pretty simple. At the end of each trimester, if you have earned a 3.0 GPA or above, and you along with a parent/guardian take your report card to My Auto Import Center, you will earn an entry into the drawing. If you earn a 3.5 or higher, you earn two entries, and a 4.0 would earn you three entries. Remember, if you wish to participate you can take the report card at the end of each trimester. So those of you with a 4.0 all three trimesters would earn 9 entries for a chance to win the car.

Remember that in order to enter the contest a parent/guardian must accompany you to the car dealership each time you visit after a trimester and must give you permission to participate. **But wait, there’s more!**

During the upcoming weeks each school will get the chance to personalize one side of the car with custom graphics to be paid for by My Auto Import Center. We will do this through our marketing and Graphics Arts classes. You’ll hear more about this later.

One more thing, the actual car that is being given away is parked right outside the rotunda today. As you leave school this afternoon, stop by and take a look at this awesome Nissan Cube. If you wish to participate, please stop by the main office and pick up a handout that will explain the contest.

Have a great afternoon and good luck!
