# The Big Reveal

Open House

Friday, October 6th at 6:00 PM  
Tri-Cities YMCA

## Join Us

Let's make a vision reality! Children in the greater Grand Haven area are designing a one of a kind, state of the art, accessible play-space to be funded by our community and built by volunteers in the fall of 2018. The play-space will replace the current Imagination Station in Mulligan's Hollow.

Please join us for the Big Reveal and celebrate with our community.
