Superintendent Search – MASB Search Consultant, Jay Bennett. Jay led the trustees through the documents he provided as a read ahead: Superintendent Search Timeline, Preliminary Posting, Superintendent Salary Comparisons. The timeline as presented was agreed to and no conflicts of dates/times were noted for any of the trustees. The preliminary posting was reviewed with the understanding that changes could be made as the process moves forward – the main purpose of the preliminary posting is to alert the pool of candidates that the position of Superintendent is officially open and candidates would visit the GHAPS website and local website for additional district/local information. After a review of area Superintendent salary ranges, trustees recommended a salary range of \$190,000 to \$230,000 for the preliminary posting.

There being no further action on agenda items at this time, President Streng adjourned the meeting at 7:45pm.

Respectfully submitted,
