

Income Eligibility for Head Start

Number of people in the household, including children	Household Income*
2	\$22,803
3	\$29,939
4	\$36,075
5	\$42,211
6	\$48,347
7	\$54,483
8	\$60,619
For households with more than 8 people, add an additional \$4,720 for each person.	

** Household Income is determined by the previous year's tax return (Adjusted Gross Income), the previous year's W2s, or three of your most recent pay stubs. We do need to see the income of all parents/guardians in the household who are working as well as child support and any government assistance you are receiving.*
