

Dear Friends of Grand Haven Bands,

For the 2025-2026 school year, we are inviting supporters to consider sponsorship, advertising, and donation opportunities “a la carte” style. We hope that this process makes our fundraising more efficient and allows us to meet band program needs as they occur throughout the year.

Some of the opportunities available include:

- Trailer sponsorships that will appear on the back of our brand-new equipment trailer
- Fall Marching Band Invitational ads/shout-outs to be included in the event program
- Gator tractor sponsorships to be displayed during parades, home games, and invitationals
- Swingin’ Jazz event sponsorship (a spring event open to the public)
- Spring Banquet event sponsorship to help celebrate graduating seniors and our band students

In past years, we have been able to provide new uniforms, an equipment trailer with graphics, band instruments, and student scholarships and rebates for band camp and private lessons, all due to the incredible financial support of our community and band families! Our Band Boosters support the band programs at all grade levels beginning with students’ first exposure to band in Fifth Grade.

Thank you for your continued support!
