MESSAGE FROM THE PRINCIPAL/ATHLETIC DIRECTOR

Welcome to the 2024-25 academic year at Grand HavenArea Public Schools. We are proud that you are a Buccaneer and challenge you to continue pursuing excellence in the classroom, as well as your area of competition.

We believe that extra-curricular opportunities:

- Are an integral part of the total educational experience for all students.
- Provide opportunities and experiences that assist students in their personal adjustment and development.
- Help meet the students' needs.
- Provide good training habits necessary to learn sportsmanship, self-discipline, leadership, and teamwork.
- Should strive for excellence.
- Provide the spirit of competition and sportsmanship for athletic teams.

A quality extracurricular program is the shared responsibility of the students, staff, parents, and community. It requires a supportive environment that allows for participation among students, staff, and parents. It is our expectation that our students hold themselves to the highest standards whether they are in the classroom, on the playing field, or in the community. It is our expectation that our staff, coaches, advisors, and parents, also, represent themselves and the school in a positive way when they attend any school event, home or away. As with any successful program, we must all work together to ensure that Grand Haven High School continues our 'Tradition of Excellence'.

Our administrative, teaching and coaching staff is committed to your mental, physical, and emotional well-being, along with your success through healthy competition. We are here to help you reach your goals and will ensure that your experience as a Grand Haven Buccaneer will serve you for the rest of your life. Please do not hesitate to reach out to any one of us for anything that would help enhance your experience here at Grand Haven.

PARENT/ATHLETE/COACH – ADVISOR COMMUNICATION

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the others and provide greater benefit to the student. As parents, when your son or daughter becomes involved in our programs, you have a right to understand what expectations are placed on your student-athlete. This begins with clear communication from the coach of your student-athlete's program.

COMMUNICATION YOU SHOULD EXPECT FROM YOUR SON/DAUGHTER'S COACH:

- Expectations the coach has for your daughter/son and the team.
- Locations and times of all practices and contests.
- Team requirements, i.e. fees, special equipment, off-season conditioning, team/individual camps.
- Procedures to follow should your student-athlete become injured during participation.
- Team rules, guidelines, and requirements for earning awards.

COMMUNICATION COACHES/ADVISORS EXPECT FROM STUDENT-ATHLETES:

- Notification of any schedule conflicts in advance.
- Special concerns in regards to a coach's philosophy and/or expectations.
- Injury or circumstances that may endanger the athlete when participating.

As your son/daughter becomes involved in the athletic programs at Grand Haven High School, they will experience some of the most rewarding moments of their lives. It is important to understand that there also may be times when things do not go the way you or your student wishes. At these times discussions with the coach is encouraged.

APPROPRIATE CONCERNS TO DISCUSS WITH COACHES/ADVISORS:

- The treatment of your student; mentally and physically.
- Ways to help your student improve.
- Concerns about your student's behavior.

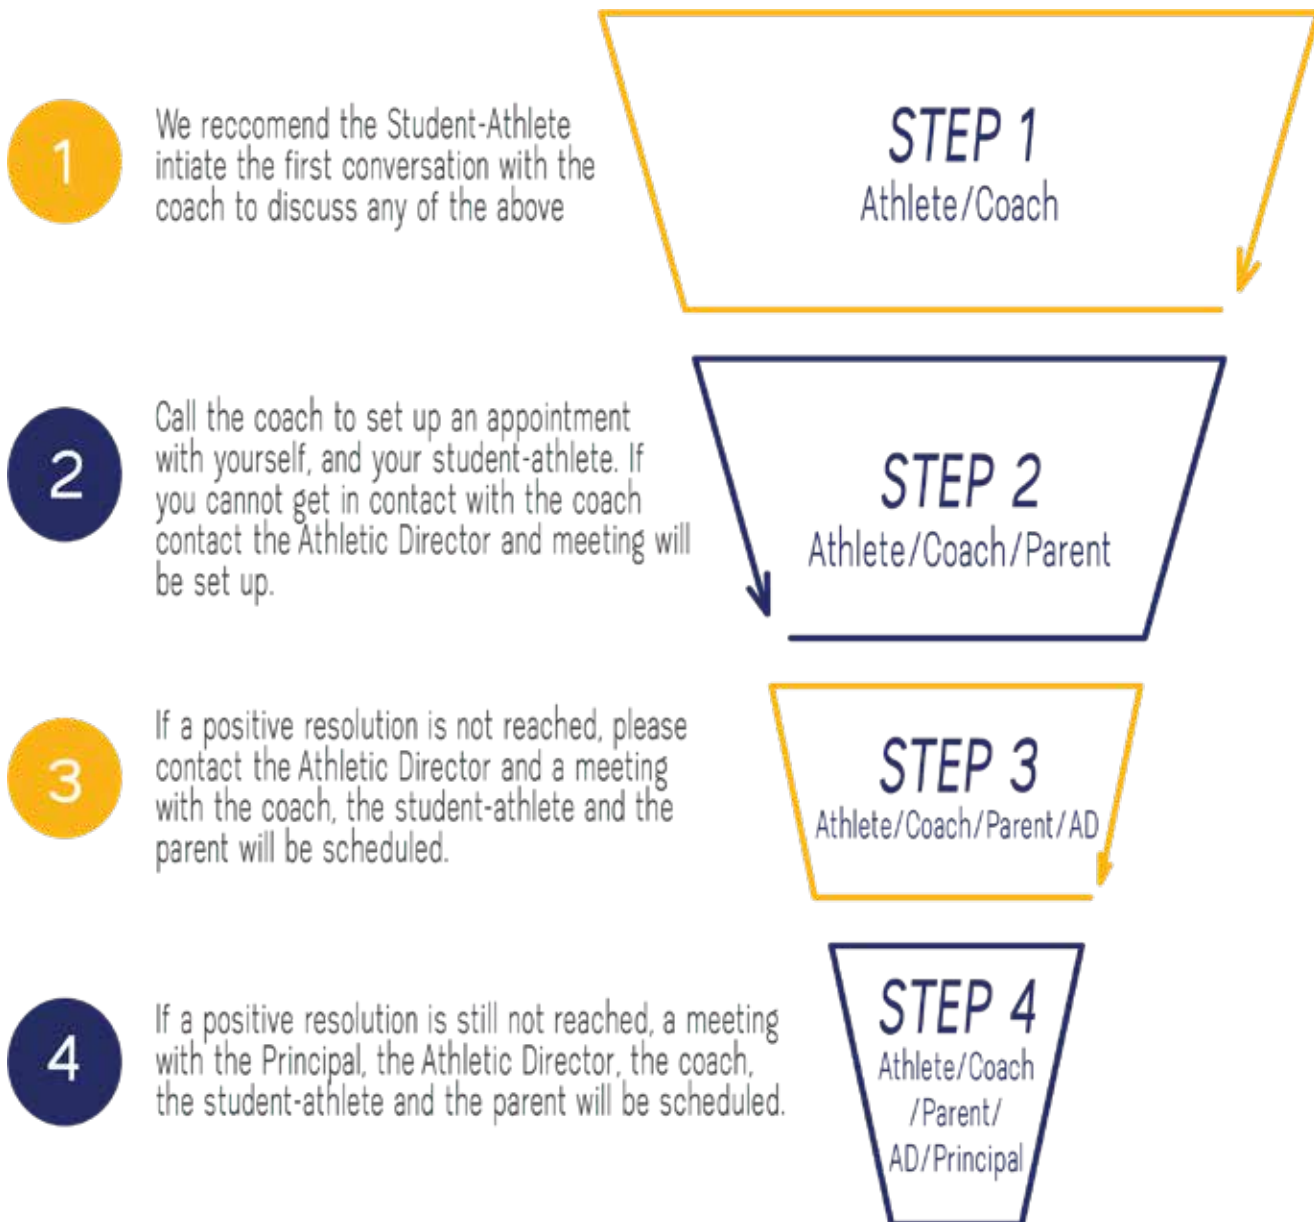

ISSUES NOT APPROPRIATE TO DISCUSS WITH COACHES/ADVISORS:

- Team strategy
- Play calling
- Other student-athletes

It is very difficult to accept your son/daughter's not playing as much as you may hope. Please understand, our coaches are professionals. They make judgment decisions based on what they believe to be the best for all students involved.

PARENT/ATHLETE/COACH – ADVISOR FLOWCHART

There are situations that may require a conference between the coach and the parent. These are to be encouraged. However, if you have a concern, you may want to discuss the issue with your son/daughter first. You may find through this communication an answer, resolution, or understanding of the situation before contacting others. It is important that both parties involved have a clear understanding of the other's position. When these conferences are necessary, the following procedure should be followed to help promote a resolution to the issue of concern.

**Please note in all of the steps listed above, the Student is present.*

TEAM MEMBERSHIP

Participation

Participation in interscholastic athletics is voluntary. Each student must accept the responsibility of self-discipline as it relates to studies, conditioning, sportsmanship, and personal conduct. Also each participant must agree to abide by sport, program, school training, and Michigan High School Athletic Association rules.

Athletes must agree to abide by:

- Student-Athlete-Parent Handbook
- Code of Conduct - signed by student and parents via Final Forms
- Team rules
- Rules and regulations of MHSAA

Try-Outs

Students wishing to participate on a competitive team must:

- Meet the residency requirements set forth by the MHSAA, if and MHSAA sport
- Meet academic requirements
- Create a Final Forms Account
- Have a current sports physical exam
- Sign the code of conduct per season

Students who join a team after the first official practice (date set by coach, which cannot be earlier than the MHSAA beginning date) must practice with the team for at least two (2) weeks before being allowed to participate in an athletic contest. Students who participate in a fall or winter sport with an extended season (districts, regionals, etc.) will be able to participate in winter or spring seasons following a mandatory resting period of at least three days.

Cuts

The district cannot provide a team for every student who wants to play interscholastic sports. Therefore, in some situations students will not make the team. The coach will provide information as to what criteria will be used to select team members. Participation in off-season or preseason camps or meetings is not a determining factor. Factors that may determine team members include, manageable number of participants, skills of individuals, and team requirements by position. The athletes not making the team will be notified through a meeting with the coach. This can be a very emotional and difficult time, please be as supportive of your athlete as possible.

TEAM MEMBERSHIP

Team Advancement

The intent of advancing an athlete to a level beyond that at which he/she would normally play (9th grade athletes on the freshmen level, 10th grade athletes on the junior varsity level and 11th and 12th grade athletes on the varsity level) is to provide an exceptionally talented athlete the opportunity to enhance his/her experience and skill development, as well as contribute to the team, by participating at a more challenging level.

The head varsity coach is responsible for making the initial recommendation regarding who should be considered for team advancement in the program. The proposed team advancement must be discussed and approved by the Athletic Department, the Head Varsity Coach and the parent(s) prior to any discussion of the opportunity with the athlete. Academic progress, emotional maturity, and peer relationships, as well as athletic ability, will be considered as part of these discussions. If the athlete is advanced, he/she must be assured of an opportunity to improve his/her skills through playing time similar to what he/she would have had at the lower level. The team advancement decision must be assessed regularly by the coach, the Athletic Department, the athlete, and the parent(s). The placement decision may be reversed.

Equipment

Athletes will be issued equipment with the provision that it will be returned at the end of the season. Athletes will be held accountable for the cost of lost equipment. Game uniforms which will be issued prior to the first contest are not to be worn at any time other than an athletic contest.

If lockers are required, they will be assigned prior to the start of the season. Athletes are to remove equipment and clean-out lockers immediately after the season ends. All lockers need to be available for cleaning at the start of the next season.

Transportation

School-owned vehicles are provided for each athletic contest, whenever possible. Athletes are required to ride to and from contests.

Transportation will not be provided to weekend events for High School Athletic Programs. Parents/Adult Drivers may provide weekend transportation if they submit an approved permission slip and volunteer application form.

TEAM MEMBERSHIP/MHSAA REGULATIONS

Dropping Out of a Sport

- Quitting a team is a serious matter. No athlete should quit a team without first discussing his/her intention to do so with the coach. An athlete will not be permitted to participate in another sport until the season of the sport he/she drops has been completed.

Michigan High School Athletic Association

The Michigan High School Athletic Association (MHSAA) has been the governing body of high school athletics in our state since 1924, and Grand Haven Area Public Schools is part of the 733 public, parochial and private schools that have agreed to follow the rules and regulations MHSAA helps enact. The following is a summary of the MHSAA Ten-Point Checklist for Student Eligibility:

Age

A high school student is ineligible if they have reached their nineteenth birthday before September 1 of a current school year.

Undergraduate Standing

Students involved with high school sports cannot be a high school graduate.

Physical Examination

Students must have a physician's statement for the current school year on file, in the athletic office, (**after April 15**), certifying that he/she is physically able to compete in athletic practices and contests.

Semesters of Enrollment

Students cannot be eligible in high school for more than eight semesters and the seventh and eighth semesters must be consecutive. Students are allowed four first semesters and four second semesters of competition and cannot compete if they have graduated from high school. When two seasons leading to a state championship of the same sport are offered in a school year, an athlete may participate in only one.

For more information visit the MHSAA Handbook at MHSAA.com

LIMITED TEAM MEMBERSHIP

After practicing with or participating with high school teams, students cannot participate in any athletic competition not sponsored by his or her school in the same sport during the same season. Students in individual sports may participate in a maximum of two non-school individual meets or contests during the school season while not representing their school. Any participation in non-school individual meets during the high school season must be reported to the athletic department prior to participation.

All-Star Competition

Students shall not compete at any time in any sport under MHSAA jurisdiction in All-Star Contests or national championships regardless of the method of selection. Participation in such a contest shall cause that student to become ineligible for a maximum period of one year of high school enrollment.

Awards and Amateurism

Students cannot receive money or other valuable considerations for participating in MHSAA sponsored sports or officiating in interscholastic athletic contests, except as allowed by the HANDBOOK. Students may accept, for participation in MHSAA sponsored sports, a symbolic or merchandise award, which does not have a value over \$40.00. Banquets, luncheons, dinners, trips and admission to camps or events, are permitted if accepted "in kind". Awards in the form of cash merchandise, certificates, or any other negotiable document are not allowed.

EXTRA-CURRICULAR ELIGIBILITY

Previous Semester Record:

1. No high school student/athlete who has failed two (2) or more classes in the previous semester shall represent Grand Haven Area Public Schools in competition. Middle School students will be using (4) marking periods for their eligibility.
2. Those students failing to meet these standards will be ineligible until credit is fully recovered.

Current Semester Record:

Progress checks happen each week for students. Any student failing more than 1 class will be ineligible for not less than 1 full week and until that student is no longer failing more than 1 class

*Middle School grades will be checked weekly. If a student is failing more than 1 class in the marking period they will be ineligible until that student is no longer failing more than 1 class.

ATHLETIC/FINE ART DECISION MAKING POLICY FOR CONFLICTS

The Purpose of this policy is to help a student make a decision when there is a conflict between athletic and fine arts events. In this policy, "event" refers to: a game; a competition; a practice; a performance or a rehearsal.

1. At no time will the student be adversely penalized because of the choice made.
2. When the choice is made, the time needs to be made up and a reasonable make-up assignment will be given. (The student will contact the coach or fine arts teacher for the make-up time or assignment.)
3. Items of precedence:
 - a. Game or competition over practice/rehearsal
 - b. Performance over practice
 - c. State-sponsored events would have priority
4. When two events are unavoidably scheduled in conflict with one another, the fine arts teacher(s) and affected coach(es) will meet with one another prior to discussing any resolution of the situation with the involved students. If the fine arts teacher and the coach come to agreeable terms as to which students are most needed at which event, they will both communicate their desires to the affected student. If the student accepts the decision made, there is no problem. If the student does not accept the decision and has a strong preference that runs contrary to the decision made by the adults, the student's decision will be honored. The student needs to communicate their decision to the coach and fine arts teacher. The student also needs to contact the coach and/or fine arts teacher for the make-up time and/or assignment.
5. If the FineArts Department schedules events beyond their published calendar, all efforts will be made to choose a date that does not conflict with regularly scheduled events. These events must have the approval of the building principal. If a conflict occurs, the student is exempted from either obligation.
6. At times when athletic events must be rescheduled because of bad weather, all efforts will be taken to avoid a conflict with regularly scheduled FineArts Department dates. If a conflict occurs, the student is exempted from either obligation.
7. Athletes or fine arts students shall not be adversely penalized or made to feel guilty for choosing one school event over another. Fine arts teachers and coaches will not use pressure tactics in attempting to sway a student to choose one event over another.
8. If a student consistently chooses fine arts events over a sports event, the student may jeopardize their ability to earn an award for that season. Conversely, if the student consistently chooses a sports event over the fine arts event and does not make up the assignment, the student's performance grade for the performances missed will not be earned.

DISQUALIFICATION FROM A CONTEST

Michigan High School Athletic Association Regulation V Section 3(D)

The following policies for disqualification shall apply in all sports:

- When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, that student shall be withheld by his/her school for at least the next contest/day of competition for that team.
- When a coach is disqualified during a contest for unsportsmanlike conduct, that coach shall be prohibited by his/her school from coaching at or attending at least the next day of competition for that coach's team.
- Any coach who is disqualified for unsportsmanlike conduct two or more times during a season; any player who is disqualified for unsportsmanlike conduct three or more times during a season; and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport, that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.
- Failure of the school, for any reason, to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular season contest/day of competition.
- Disqualification from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors.
- If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply.

Violation of Michigan High School Athletic Association Rules will be reported to the Michigan High School Athletic Association.

EXTRA - CURRICULAR CODE OF CONDUCT

The coaching staff, advisors and administration of Grand Haven High School will not condone the possession or use of alcohol, illegal drugs, tobacco in any form, improper conduct, actions that would be deemed misdemeanors or felonies under the criminal code, or the engaging in activities considered to be unbecoming of an athlete. A student is held to this code of conduct if they are competing in athletics or clubs and are subject to the rules of this code when he/she first participates in interscholastic competition and continues until the athlete graduates. All code of conduct rules are applicable regardless of whether an athlete is "in season".

Any information, circumstantial or otherwise, obtained by the school administrative team regarding a violation of these rules may result in an administrative investigation. If a breach of these rules is substantiated by an administrative team investigation or by the student's own admission, upon accusation, the following action will be taken:

<u>Tier 1</u> Can include but not limited to:	<u>Tier 2</u> Can include, but not limited to:	<u>Tier 3</u> Use or possession of alcohol, illegal drugs, tobacco, THC vape products and/or actions that would be deemed as misdemeanors or felonies under the criminal code.

<u>Fourth Offense</u> Loss of interscholastic opportunities for the remainder of their high school career		

**The offense number is not tied to the Tier. A second offense will be treated as such in the appropriate Tier, regardless of what Tier the first offense occurred in.*

UNDERSTANDING THE TIER SYSTEM

Tier 1

A tier one violation can be classified as a tier two or tier three violation by the administrative team depending upon the severity of the violation.

All tier one consequences will be determined by the coach and administrative team.

Consequences for additional tier one violations will remain in the tier one category.

During the suspension the athlete will participate in all practices and meet all the demands placed on other members on the team. The athlete must attend all games during this period, in street clothes, and sit/stand within close proximity of the team.

Tier 2 and 3

If an athlete gets a first offense violation in tier 2 and then gets a second offense violation in tier 3 the athlete would serve the penalty for tier 3 (365 days). If an athlete gets a first offense in tier 3 and then receives a second offense in tier 2 they would serve the penalty in tier 2 (50% of season).

During the suspension the athlete will participate in all practices and meet all the demands placed on other members on the team. The athlete must attend all games during this period, in street clothes, and sit/stand within close proximity of the team.

Upon completion of the above requirements, the athlete will become fully eligible for athletic competition.

Tier 3 Second Offense Provision

If a student athlete completes a substance abuse program, the violation will be reduced to a minimum of 75% of their next season. The scope and sequence of the substance abuse program must be approved by administration before the student athlete begins the program. The student athlete cannot participate in interscholastic competition until the program is complete or the 365 days has passed. This substance abuse program is voluntary and expenses will be covered by the family

Self Reporting Provision

If a student self-reports their offense, the offense will be reduced by 50% of the offense. Example: If an student self-reports a First Offense in Tier 1, they will serve 5% of the season rather than the original 10% penalty.

ATTENDANCE/ACADEMICS

Attendance Requirements

ATTENDANCE IN ALL CLASSES OF EACH SCHOOL DAY IS EXPECTED

Unexcused absences are not acceptable for student-athletes. An excessive amount of unexcused absences may result in having to sit out contests. The amount of contests will be determined by school administration. Attendance at all practices and contests is expected.

Academic Eligibility

Must have earned passing grades in at least 5 of the 6 possible courses from the previous semester*. If not, a student-athlete will be ineligible to compete for an entire semester or until credit is recovered. Must be passing at least 5 of the 6 possible courses for the current semester. If not, a student-athlete will be ineligible to compete for at least 1 full week and until he/she is earning passing grades in at least 5 of the 6 courses.

*Middle School students must be passing 5 of 6 classes in the marking period. If a student failed more than 1 class in a given marking period they will be ineligible for the next subsequent marking period.

Drug Testing

May occur, subject to individualized reasonable suspicion. A committee of the Athletic Director, Principal and the athlete's coach will evaluate evidence and determine appropriate action.

NCAA ELIGIBILITY REQUIREMENTS

Student athletes planning to participate in Division I or II college athletics must apply for certification from the NCAA Clearinghouse before graduation from high school. These athletes should communicate this desire to their head coach and Mr. Keith Williams in Student Services.

Please be advised that NCAA Certification requirements are ever evolving. Student-athletes and their parents are encouraged to make an appointment with their Guidance Counselor to obtain the most current information and forms.

FINANCIAL INFORMATION

INSURANCE

Grand Haven Area Public Schools do not assume financial responsibility for medical, hospital, or ambulance expenses incurred because of athlete injuries. Athletics is a voluntary program in which students participate if they so desire. They do this at their own risk.

Grand Haven has purchased blanket coverage through the First Agency of Kalamazoo, Michigan. All athletes must take this coverage, which assures protection for all athletes throughout the season only for injuries that occur at a specific incident or accident when participating as a member of a Grand Haven Area Public Schools team during the defined athletic season. Each athlete has no limit catastrophe medical insurance for any injury incurred through athletic participation. All athletic insurance is secondary coverage. This means the family's personal policy pays first, and the school policy pays all other out-of-pocket costs incurred because of medical treatment that promotes healing and will not cover procedures deemed not medically necessary.

Team members are required to enroll in the current Board of Education sponsored athletic insurance program prior to participation in each sport. The fee must be paid before a student may participate in any contest or scrimmage. This is a supplemental coverage, which pays only the excess over which the individual, family, or employer group insurance does not pay. All claims must be made to the High School Athletic Director or principal/advisor.
