

Grand Haven High School German III

Course Number: F54A-B

Grade Level: 10-12

Credits : 0.5

Prerequisite Courses : German I, German II

Course Description

Welcome! This year you will continue the good work you've started in German I and II taking your German to an advanced level. You'll continue to review and learn about culture and life in Germany while building new vocabulary and rounding out your understanding of German grammar. You will continue in the Deutsch So Aktuell series with more time spent on personal stories, culture and history to make learning German come alive.

Course Objectives

Students are expected to build upon previous learned fundamentals in grammar like conjugating verbs, using cases and genders thoughtfully, memorizing important vocabulary, etc. They will also be expected to learn and demonstrate proficiency in the four parts of language: speaking, writing, listening and reading. Most lessons will be presented within the framework of the cultural themes emphasized later in AP German, and experienced commonly in German speaking countries, their dialects and culture.

Student Expectations

To keep our classroom a place that is conducive to learning I ask that:

Students recognize assigned seats when required

Students respect school property

Students respect classmates belongings

Students respect everyone's time

Students show effort in learning and demonstrate academic integrity

Students are appreciative of others' experiences and backgrounds

Students raise their hand and advocate for themselves when there is a need

Students follow all handbook rules
