

NOW HIRING!

Too old for summer camp? Are you able to read a ruler and decipher fractions? Are you detailed oriented and intrigued by STEM? Are you interested in a career in Manufacturing? Do you want to be an electrician? Come connect with us!

We are currently hiring high school students for Production positions during Summer Break!

GlobalTec is an industry leader specializing in the manufacturing of wire harnesses and cable assemblies, primarily for the medical and aerospace industries.

GlobalTec offers a clean, laid-back work environment with a casual dress code. Most employees wear jeans/sweatpants/joggers and a t-shirt/sweatshirt/hoodie. Employees are able to listen to music while at work. Most positions are sit-down jobs and do not require much lifting. Unlike most manufacturers, we do not require uniforms, steel-toe boots, or safety glasses.

This position starts out at \$14.00/hour. Don't let this opportunity pass you by! We are conveniently located just South of the Norton Shores border at the Northern edge of Spring Lake.

Our address is: [18683 Trimble Ct., Spring, Lake, MI 49456.](#)

Website: [Globaltec.com](#) (You can apply here if you would like).
