

Grand Haven High School Michigan Virtual Courses

Course Number: N-MVHS

Grade Level: 9-12

Credits : 0.5

Prerequisite Courses : None

Course Description

Courses will vary from student to student but you are each assigned an instructor for your course on Michigan Virtual that teaches the content and does any grading. You will have a mentor teacher assigned to you from GHHS that can help with any issues with your courses, instructor, technology issues, etc. those are things I can help you with.

Course Objectives

These vary on the course that is being taken from Michigan Virtual. They set up all objectives for each course that is offered.

Student Expectations

- **Exams:** Any password protected exam on the MVU platform is required to be proctored. You must take these exams at school. When you are getting close to an exam please come and talk to me to set up a time to do this. Generally, MVU gives double the amount of time needed to complete the exam for any accommodations so you have more than enough time to complete the exams in class. I will show you where you need to sit when you take the exam. If you will need extra time we can work something out on a case by case basis. Some courses do not have exams and others will have multiple per semester.
- **Academic Integrity:** Students are expected to do their own work and produce original pieces. If you cheat on an assignment the first time is a zero on the assignment(s) that were submitted. The second time is an automatic fail. This also includes the use of AI.

Building Behavioral Expectations

T.E.A.M. GH ... One Team, One Family, One Grand Haven. Be Kind. Always.

It is our expectation that ALL GHHS students, staff and parents will ... always give their best **EFFORT** in everything that they do, work hard to be **INCLUSIVE** of each other, show **RESPONSIBILITY** in class, the hallways, cafeteria and at events, and **WORK TOGETHER** at all times!

We are Always a TEAM in Buccaneer Country!

Together, Excellence, Accountability, Mindfulness ... GO BUCS

- Count Day is a very important day for funding for our school. Here are the requirements:
 - You **MUST** login and submit an assignment on Count Day each semester
 - We also will do set check ins every week, if you are an LMS student this means we need to email once per week. I will reach out and you **MUST** respond to my email. If you are at GHHS we will do this in person.

Communication

Students and parents may communicate with MVU teachers via email or messaging on the MVU portal. Teachers get 24 hours to respond during business days (Monday-Friday).

You can reach me by email at riderd@ghaps.org during work hours.

Grading Policy

All grading is completed by your MVU instructor assigned to your course. If there are any content/grading questions, those need to be directed to that instructor. I am here to help if you have any issues with communication, do not have your questions answered, or any other issues.

All MVU final grades are put in directly. We do not edit any grades or do a pass/fail for these courses.

Grades are not put in StudentVue/ParentVue during the semester, so you will need to check your grades on your MVU account. Your mentor will put your final grade in at the end of the semester. Parents/guardians can always reach out to your mentor for updates or login to the parent account on MVU.

Scope and Sequence

Scope and sequence is set by Michigan Virtual. Each course will be different in how it is set up.
