

Released Time Bible classes are now available in Grand Haven!

What is Released Time? Michigan's compulsory attendance law allows students to be released from public school during the school day for religious instruction provided it is held off school property, offered free of charge, and parental consent is given.

Who are we? Children's Bible Ministries is a non-profit, non-denominational Christian ministry that promotes and facilitates Released Time classes. We also offer online or mail-based correspondence lessons. You can find out more about us by visiting www.cbmwmi.org.

How do I sign up my child for Released Time? We provide two options for registering. To best ensure accuracy of your information, please register at www.cbmwmi.org/parents. Alternatively, you may complete the form on the reverse side and return it to your school's office. If you are unsure of the availability of this program at your school, please call our office at 616-607-7006 or visit the link above for a list of participating schools before dropping off this form in the school office.

When and where are the classes? Classes meet twice a month during the school day at a church near the school. For security purposes, information related to the location and schedule of your school's Released Time class will be sent to you via email following registration of your student. Transportation to and from the class is arranged by CBM.

THIS PROGRAM IS OPERATING INDEPENDENTLY OF ANY SCHOOL OR DISTRICT. DISTRIBUTION OF THIS INFORMATION BY THE SCHOOL DOES NOT INDICATE ENDORSEMENT BY THE SCHOOL OR DISTRICT.
