Dear Parents,

April, 2026

Grand Haven Area Public Schools is pleased to provide a summer theater opportunity for children. Our goal is to strengthen and enhance the singing, acting and dancing skills of each child, and improve confidence, in a safe and supportive environment. Instruction is daily, Monday through Friday, for two weeks. On the final Friday/Saturday we will present our show to family and friends. Children must have completed kindergarten to enroll. Performers are usually in elementary and intermediate school. The student mentors are typically high school and college students.

This mini theater opportunity is the perfect outlet for the child who's a natural born performer, but it is also a great way to help the shy, quiet child gain confidence in front of people. Spots fill quickly, so early registration is suggested.

If you have any questions, please do not hesitate to contact me via e-mail at [mcларыr@ghaps.org](mailto:mcларыr@ghaps.org).

I look forward to working with your children and watching the magic they will create!  
AUDITIONS – for placement on June 11 from 1-5 OR June 12 from 1-5 at GHHS PAC.

Sincerely,

Rita McLary, Director
