ARTICLE I RECOGNITION

A. POSITIONS INCLUDED

The Grand Haven Area Public Schools Board of Education recognizes the Grand Haven Area Public Schools Administrators Association in accordance with the applicable provisions of Act #379, P.A. of 1965, as amended, as the sole and exclusive representative for all administrative personnel in the classifications of High School Principal, Middle School Principal, Elementary Principal, Assistant High School Principal, Assistant Middle School Principal, Athletics Director, Special Education Director, and hereinafter called the bargaining unit.

B. POSITIONS EXCLUDED

The Bargaining Unit shall not include: Superintendent of Schools, Assistant Superintendent of Human Services, Instructional Services Director, Directors (non-teacher certified), Coordinators, Teachers, and other non-administrative instructional employees and all non-instructional, non-administrative employees.

- B. ASSOCIATION** shall mean the Grand Haven Area Public Schools Administrators Association.
- C. ADMINISTRATOR** shall mean any member of the bargaining unit as recognized by the Board.

- B.** It is agreed that the Board retains the right to establish and equitably enforce reasonable rules and personnel policies relating to the duties and responsibilities of all employees and to other working conditions, provided such rules and policies are not inconsistent with this Agreement or in violation of law.
- C.** The Board retains the rights of management and control of school property, facilities, grades, and courses of instruction, athletics and recreation programs, methods of instruction, and materials used for instruction and administration; and the Board retains all rights relative to the selection, assignment, direction, transfer, promotion, demotion, discipline or dismissal of all employees, excepting where expressly and in specific terms limited by the provisions of this Agreement.

- E.** It is agreed between the parties that two (2) year individual contracts of employment without administrative tenure and renewable annually shall be offered to the non-probationary members of the Association. Failure of the individual administrator to execute said offer shall relieve the Board and the District of all obligations of employment under this contract to said administrator. Failure to execute does not include a time delay in clarifying or correctly recording the contract information.
- F.** It is understood that each individual contract is subject to the Master Agreement and in particular, but not limited to:
 - 1. Non-renewal of contract - Section 380.247 of the Michigan School Code
 - 2. Due process contract provisions
 - 3. Lay-off/Recall contract provisions

G. Extension of each individual contract is subject to review by the Board of Education for renewal or non-renewal action in accordance with the provisions of this Master Agreement and Section 380.247 of the Michigan School Code. It is understood that administrators on probation, (initial and disciplinary), receive annual contracts.

ARTICLE IV ASSOCIATION RIGHTS

A. ASSOCIATION MEMBERSHIP

Pursuant to Act 179 of the Public Acts of 1965, as amended, the Board hereby agrees that every eligible administrative employee of the Board who is in a position identified in Article I shall have the right to freely organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the laws of the state of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any administrator in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of Michigan or the Constitution of the United States; that it will not discriminate against any administrator with respect to any term or condition of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board or the institution of any grievance, complaint, or proceeding under this Agreement, or otherwise with respect to any terms or conditions of employment.

B. INFORMATION

The Association shall be supplied, upon written request, with a copy of the current Annual School District Financial Report (Form B), reports or information prepared by the District for public distribution, together with information, which may be necessary for the Association to process any grievance. It is agreed that the foregoing shall not be construed to require the District to compile information or statistics not already compiled nor shall it require the district to provide confidential information. Original records of the foregoing are to be examined only at the office of the District.

ARTICLE V
ADMINISTRATOR SUPPORT

A. COMPLAINTS

Any complaint directed toward an administrator, which is to become a part of that individual's personnel record, shall be called to that individual's attention. The administrator may attach a response to the complaint. Anonymous complaints may not be placed in an administrator's personnel file and not used for evaluation purposes.

B. LIABILITY PROTECTION

The Board shall provide liability insurance which covers each administrator during the time he/she is employed by the Board and acting in the line of duty. Insurance protection shall be limited by the terms and conditions of the insurance policy.

ARTICLE VI
PROFESSIONAL ORGANIZATIONS

- A.** The District encourages professional growth among its administrators and will therefore support administrators' affiliation with their professional organizations by paying membership dues for each administrator, as determined by the Superintendent, in the state/national organization at 100 percent.
- B.** The Board reserves the right to determine the professional organizations for which membership dues will be paid. A refusal by the board to initiate or to continue dues payment to a particular professional organization is not a grievable matter.

ARTICLE VII
DUE PROCESS

- A.** An administrator who is disciplined in writing, suspended or discharged has the right to pursue redress through the contract grievance procedures.
- B.** It is understood that the Board may take discharge, suspension or written discipline action when necessary and the terms and conditions of individual contracts of employment shall not restrict or prevent such action.

ARTICLE VIII

EVALUATION OF ADMINISTRATORS

A. EVALUATOR AND TIME SCHEDULE

The Board designates the Superintendent of Schools or the Superintendent's designee(s) to evaluate all Association members. Principals may evaluate their assistant(s) and the directors may evaluate their assistants. Evaluations will be conducted once each year or more often if deemed necessary by either party. Failure of the Superintendent or his/her designee(s) to evaluate any administrator will not be the basis for a grievance. Evaluations will be completed by June 30, when possible.

B. PROCEDURE

The evaluation of each member of the Association will be discussed with the individual administrator, reduced to writing, and presented to the individual member at the time of his/her evaluation conference. Each administrator will receive a copy of the written evaluation and will have a right to add a written reaction as part of the evaluation record. The administrator may ask for a meeting with the Superintendent if disagreement exists on the results of evaluation. Either party may have representation at such a meeting.

C. IMPROVEMENT PLAN

The written evaluation will include the identification of inadequacies in performance and/or other concerns, understandable ways in which the administrator is to improve and the way the administrator is to be given assistance, if appropriate. It is understood that the responsibility for administrative improvement and professional growth is that of the evaluatee.

D. EVALUATION INSTRUMENT

The current evaluation instrument will be used and is attached as Appendix "A". However, if either the Board or the Association feels the evaluation instrument should be reviewed, an Administrative Evaluation Review Committee will be established composed of two (2) Board representatives and three (3) Association representatives. This committee will review the evaluation criteria and evaluation instruments and submit appropriate recommendations for change to the Superintendent. The Superintendent will make the final determination of any changes to be made.

Performance Pay Principles are included as a part of Appendix "A".

E. DISCIPLINE ACTION

The results of an evaluation can necessitate action by the Superintendent to place an administrator on disciplinary probationary status with a resulting freeze on the base salary for at least a one year period. Should there be an additional year(s) salary freeze, it is understood that the annual improvement plan that resulted in the original action will be up-dated. Without required improvement accomplished by the administrator on probationary status, more severe disciplinary action is possible.

If the required improvement is accomplished at the end of the probationary period, the Superintendent will return the administrator to the salary schedule level, which he/she would have attained if the salary freeze had not taken place.

ARTICLE IX GRIEVANCE PROCEDURE

A. DEFINITION

A grievance is a complaint by an administrator that the contract has been violated in that he/she has been directly affected by the alleged contract violation. Discipline or discharge of a probationary administrator shall not be subject to the grievance procedure.

B. TIME LIMITS

1. The time limits specified hereinafter for movement of grievances through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event that the Association fails to appeal a grievance or grievance answer within the particular time limit, the involved grievance shall be deemed abandoned and settled on the basis of the Board's last answer. In the event that the Board shall fail to supply the Association with response to a hearing at a particular step within the specified time limits, the grievance shall be deemed automatically positioned for appeal commencing with the expiration date of the Board's grand period for answering.
2. Each grievance shall have to be initiated within fourteen (14) days of the occurrence of the cause for complaint.

3. All time limits specified herein shall consist of calendar days. Time limits as shown can be accelerated and/or steps in the grievance procedure can be bypassed by mutual agreement. Grievances involving the written discipline (not including negative evaluation), suspension or dismissal of a non-probationary administrator may be initiated at Step 2.

C. PROCEDURE

Informal Step 1

The parties acknowledge that it is most desirable for a Bargaining Unit member and his/her superior to resolve problems through free and informal communications. When requested by either, party the Association representative may intervene to assist in this resolution. However, should such informal process fail to satisfy the supervisor and the Bargaining Unit member, then a grievance may be processed as follows:

Step 2

1. If the complaint is not resolved in the informal Step 1 of this procedure, the administrator shall submit to the Assistant Superintendent of Human Services, within fourteen (14) days following the grievable occurrence, a statement of facts and all relevant materials giving rise to the grievance. Within fourteen (14) days of receipt of the alleged grievance, the Superintendent, Assistant Superintendent of Human Services, the administrator whom the grievance is being filed against, the aggrieved and an Association Representative shall meet to discuss the grievance. Within ten (10) days of this meeting, the Superintendent shall respond in writing to the Grievant.
2. If the grievance is not resolved at Step 2 (a), the grievant may choose to take the grievance to Step 3 of this procedure or request through the association that a mediator be assigned by the Michigan Employment Relations Commission to hear the grievance.
3. If the grievant chooses to go to mediation, the grievance procedure ends at this Step 2, except for cases of dismissal or suspension, which may go to Step 4.

Step 3

1. If the Superintendent receives no further correspondence within fourteen (14) days after the Step 2 written response, the grievance will be considered resolved on the basis of the Step 2 response.
2. If the grievance remains unresolved at the conclusion of Step 2, the Grievant shall notify the Superintendent in writing within fourteen (14) days following the Step 2 written response. The Superintendent shall submit the grievance to the Board's Personnel Committee for review at its

next regularly scheduled meeting. The Board's Personnel Committee shall make a recommendation for resolution of the grievance within fourteen (14) days of its meeting to review the grievance. A copy shall be provided to the Grievant.

Step 4

A Grievant who is dismissed or suspended may, upon written notice to the Superintendent, within fourteen (14) days after the Personnel Committee's recommendation, request that the Board of Education consider the grievance. Upon receipt of such notice/request, the Board shall convene within twenty-five (25) days thereafter to consider the grievance in closed session (to the extent allowed by the Open Meetings Act).

ARTICLE X VACANCIES AND TRANSFERS

A. VACANCIES

1. When a vacancy occurs in the bargaining unit, or in a cabinet level position it shall be announced in writing to the Grand Haven Area Public Schools Administrators' Association President. Interested members are to indicate their interest in the vacancy in writing to the Director of Human Resources within the deadline for application.
2. Any administrator with the required certification and qualifications of the posted position and three (3) years of successful experience as an administrator shall, upon written request, be granted an interview for the position.
3. It is understood that vacancies can be filled on an interim basis until such time as a final selection is made.

B. TRANSFERS

1. Transfer shall mean the movement of a Bargaining Unit member from one position to another position, which is essentially the same or to a lower job grade as that currently occupied by the Bargaining Unit member and for which said member is qualified.
2. Transfers can be made voluntarily or involuntarily. The best interests of the District and the affected administrators are the prime criteria for transfers.
3. In cases of involuntary transfer, the Bargaining Unit member will be offered the opportunity to meet with the Board's representative at which time the reasons for the transfer will be explained and reduced to writing.

C. PROBATION PERIOD FOR NEWLY-HIRED EMPLOYEES

During the administrator's first two (2) years of employment, he/she is considered to be on probation and the Board has the right to unilateral, non-grievable discipline and/or suspension, and/or discharge action. In case of discharge, the administrator may, however, meet with the Superintendent or the Board of Education's Personnel Committee to discuss the reasons for such action.

ARTICLE XI STAFF REDUCTION AND RECALL

A. LAYOFF

1. Administrators are subject to lay-off when the Board determines that circumstances necessitate a reduction in administrative staff. A minimum sixty (60) calendar day notice will be given to those affected.
2. Board decisions on lay-off will be determined on the basis of qualifications, length of service to the District, job performance and grade level experience.
3. In lieu of, or coupled with layoffs, the Board may implement options to layoff, including transfer, reduced work year, and/or reduced daily work period, along with an appropriate reduction in salaries for one or more administrators.
4. At the request of the Association, its representatives will meet with the Superintendent prior to such action taking place.

B. RECALL

1. Recall rights will not extend beyond a time period of five years or a time period equal to the employee's term of employment as an administrator in the District if less than five years.
2. Administrators who have been laid off will be recalled for the first administrative position for which they are certified and qualified and meet the following guidelines:
 - The position must be in the same bargaining unit.
 - The position must be in a comparable or lower salary range.
 - The position must have responsibilities comparable to the previous position as agreed upon by the Board and Association.

The term "qualified" as used in B-2 above, is defined as possessing a graduate degree with emphasis appropriate to the assignment as well as meeting accreditation standards, possessing a state administrator certificate or equivalent academic coursework if Administrative Certificates are

no longer issued by the state of Michigan, obtaining appropriate continuing education units and professional association standards as applicable.

ARTICLE XII

A bargaining unit member called to an active emergency duty by reason of military status will be paid in an amount equal to the difference between his/her military base pay and administrator's pay not to exceed seventy-five (75) days.

B. REQUESTS FOR LEAVE

Requests for any leave of absence must be made in writing to the Human Services Department. These requests should specify the beginning and ending dates desired and should be submitted as soon as the circumstances regarding the leave are known. 1. Any administrator who is absent as a result of an injury or disease compensated through the Worker' Disability Compensation Act of 1969, as amended, shall receive a supplement from the Board of Education for a period not to exceed six (6) months without deduction from sick leave in order that the administrator's take home pay will remain the same.
2. Beyond the six (6) month period, such payments by the Board of Education shall be charged against sick leave on a pro-rate basis computed on the relationship of the differential pay to his/her regular net weekly pay until sick leave is exhausted.

H. JURY DUTY LEAVE

Any administrator summoned to jury duty shall immediately notify the Superintendent of Schools. If the administrator is not successful in obtaining a postponement from such service for the period of the school year, he/she shall be paid his/her regular pay as an administrator. The administrator shall submit to the payroll office the pay received for serving on jury duty immediately upon receipt of such reimbursement.

APPENDIX “A”
PERFORMANCE PAY PRINCIPLES

1. Each Administrator will receive a copy of GHAPS Administrator Evaluation Handbook prior to starting the goal review process.
2. Goals must be related to Board Goals the District Vision, and The Interstate School Leaders Licensure Consortium (ISLLC) Standards. Where possible, goals shall be mutually developed.
3. Administrators will submit a draft of their proposed goals and measures by October 1 of each year. Goals will be reviewed and approved by October 31 of each year. Non-probationary administrators will be on a two-year goal cycle (unless otherwise indicated by the Superintendent).
4. The Superintendent and cabinet will review for final approval the goals and performance pay amounts for each mid-level administrator who is supervised by a senior site administrator.
5. Semiannual meetings will be established when necessary to review progress toward goals as well as overall job performance.
6. Goals and measures of progress and achievement may be modified by mutual agreement between the administrator and his/her supervisor.
7. A final Goal Review will be completed with each administrator prior to June 15 of each year. Each administrator will receive an annual rating of ineffective, minimally effective, effective or highly effective. An administrator rated effective or highly effective will receive performance pay of two (2) percent for the upcoming school year. Those administrators at the top of their range shall receive an annual cash payment of two (2) percent of their salary (paid on June 1 subsequent to the completion of each year). This payment will be off schedule and will not result in a schedule change. Those administrators that earn two (2) percent performance pay, but have a salary less than two (2) percent from the top of the range will receive the remaining difference in a lump sum cash payment. Concern that would require an adjustment in an administrator's performance step will be shared with the affected administrator. The administrator in conjunction with the Superintendent or his/her designee will develop a clearly defined written IDP. If possible, the IDP will be developed in a time frame that will allow the administrator to be eligible for the full performance pay if said administrator meets the provisions within the mutually developed IDP.

8. Cabinet input will be sought prior to final approval of goals and performance pay amounts.
9. Factors to be considered when evaluating the effectiveness rating include goal attainment, overall performance and job complexity. The performance pay increase cannot take an employee above the salary range for that position.
10. If an administrator is rated ineffective or minimally effective, the administrator is not eligible for performance pay and will follow a probationary administrator evaluation cycle. Special circumstances will be considered through the appeal process.
11. Concurrence and commitment to the goals also provides that normal responsibilities of the position are not sacrificed.

12. APPEAL PROCESS

It is the desire of the parties to effectively communicate, on an ongoing basis, progress toward goals or concerns regarding performance to avoid end of the year surprises that result in disputes over performance pay determinations. However, if an administrator believes that his or her performance pay does not accurately reflect his or her achievements, an appeal may be requested. The administrator will be given an opportunity to meet with cabinet and present information, including peer input, to address these concerns. Cabinet consensus regarding performance pay determinations will be final.
